FINE ARTS SCHOOL AT FPC
FALL 2018 ART AND MUSIC CLASSES
Dear Students and Families,

We have some exciting changes in the Fine Arts School this Fall! As most of you know, I will no longer be teaching art classes, but I will continue to serve as director of the Fine Arts School.

I could not be happier to have Valerie Aldrin stepping in as art instructor for your children! I think you will find she brings passion for art and a love for children and teaching! The piano program is overflowing with students, so we are delighted for the talented and experienced Debbie Butler to join our staff as a piano instructor. She and Hyun Lee will make an excellent team!

It’s going to be a wonderful year in the Fine Arts School. I look forward to seeing many of you!

All the Best,
Kathy Schorr
Fine Arts School Director

ABOUT THE PROGRAM
The Fine Arts School began in 1994 and is dedicated to providing the finest art and music instruction with caring, nurturing teachers in a Christian environment. Our current program includes two semesters, Spring and Fall. Each semester is 14 weeks as noted. Summer programs vary.

REGISTRATION
Registration for class instruction is conducted prior to each semester. Deadline for Fall 2018 classes is August 22.

A $20 deposit per student is required at the time of enrollment. This is nonrefundable and will be applied toward class fees. A completed enrollment form with deposit is necessary to reserve space in a particular class.

Class tuition is payable by the semester and may be made in installments. One third of all tuition and materials fees are due by first class day. Remaining two-thirds payments are due in equal amounts five weeks into the semester and ten weeks into the semester. Piano lesson tuition may be paid by the semester or monthly. Payment coupons with due dates are available to assist you. A $10 late fee will be assessed for late payment.
